**Share a memorable experience that reaffirmed your faith or your vocation.**

**What advice would you give someone considering a religious vocation?**

*As a young Sister, I was asked to go to Arizona to help with a summer Religious Education program. I had no desire to go but said yes. I frequently return to that memory which opened the door to many wonderful experiences and people. It helped me to say yes at other times when I was hesitant or afraid. It strengthened my trust in God and His grace that is so much greater than I can imagine. I would advise anyone considering a religious vocation to surrender to His call and trust His overwhelming love to be with you.*
