**Share a memorable experience that reaffirmed your faith or your vocation.**

*Our Motherhouse sponsored Camp Franciscan for many years. Girls from 8th grade through high school were invited to come for an experience with our Franciscan Sisters at the Motherhouse. I often brought girls from the school I was at such as from Mississippi and Arizona. It was a joy to travel with these girls but also to see them interact with other Sisters and other girls from other states. The girls still talk about their experiences at our Motherhouse.*

**What advice would you give someone considering a religious vocation?**

*If someone is considering a religious vocation, I would encourage them to increase their personal prayer life. Take time alone to talk to God about what He is asking of you. I also would encourage them to check out different religious communities by visiting their website, talking to some of the Sisters and also visiting their Motherhouse. One has to know the spirit and charisms of that Community to see if that is where you feel called.*
