**Share a memorable experience that reaffirmed your faith or your vocation.**

**What advice would you give someone considering a religious vocation?**

*Recently I was subbing in a 4-K classroom and a student who understood me as saying I was married to God, gave me a picture she made and said, "When you get home will you give this to God?" Can I be that much in love with God that I would see the light of God's presence shining upon me? I pray that ALL people will come to know that they are wonderfully made. (Psalm 139) and serve God in a way that is life-giving for them!*
