Share a memorable experience that reaffirmed your faith or your vocation.

My years in Community have been years of joy in teaching and in administration. There have been rough times, but I sit back in awe, again, praising and thanking God for helping me take one day at a time. I thank Him for the wonderful people who have been a part of my life.

What advice would you give someone considering a religious vocation?

Advice for those considering a Religious Vocation: Listen to God's call and say YES! Follow the words of the Prophet, Micah (6:8) "This is what the Lord requires of you: only this, to act justly, to love tenderly and to walk humbly with your God."
